

To whom it may concern,

My name is _____. I would like to start a new Frontier Girls troop in this area and am seeking a Charter Organization willing to take us on as part of their youth programming.

Frontier Girls is a scouting style program for girls ages 3 and up that promotes patriotism, good character, community service, life skills and a love of learning. In addition to a variety of higher awards, they offer more than 1200 individual badges in nine Areas of Discovery including:

- Discover Agriculture** (beekeeping, farming, dairy, gardening, etc.)
- Discover Art** (painting, drawing, crochet, photography, etc.)
- Discover Character** (modesty, joy, responsibility, kindness, etc.)
- Discover Health and Fitness** (sports, nutrition, first aid, emergency preparedness, etc.)
- Discover the Home** (budgeting, cooking, cleaning, child care, etc.)
- Discover Knowledge** (poetry, spies, American history, chess, etc.)
- Discover Outdoors** (camping, hiking, wilderness survival, wildflowers, etc.)
- Discover Science and Technology** (aviation, chemistry, computers, electricity, etc.)
- Discover the World** (stamp collecting, travel, geography, world dance, etc.)

There are many benefits to your church to running a Frontier Girls troop and on the following page I have outlined what a program of this kind can offer your church as well as what we are seeking in return. For more information regarding the Frontier Girls program, please visit their website at www.frontiergirlsclubs.com or contact Kerry Cordy, their CEO, at kerry@frontiergirls.com. She is always willing to answer any questions you may have and usually responds in less than 24 hours.

<p>2. Frontier Girls troops are required to perform a minimum of three service projects each year; one for the local community, one for whoever hosts their troop meetings and one ongoing project of the girls' choice. Frontier Girls troops participate in local parades and festivals in addition to participating in a variety of community service projects.</p>	<p>3. The Charter Organization must approve all volunteers and verify that personal references and any previous experience working with youth in other organizations have been checked.</p>
<p>5. Frontier Girls can complement your existing youth programs such as Sunday school and after-school programs, allowing the girls to participate in many activities that are not normally available such as campouts, water sports, high adventure, and travel while being surrounded by Christian mentors.</p>	<p>5. The Chartered Organization shall include Frontier Girls programming as part of its overall program for youth and families. This includes covering the activities of the troop with general liability insurance to cover the girls and volunteers. The Charter Organization shall reserve the right to restrict the activities of their troop based on their own policies and procedures.</p>
