

To whom it may concern,

My name is \_\_\_\_\_. I would like to start a new Frontier Girls troop in this area and am seeking a Charter Organization willing to take us on as part of their youth programming.

Frontier Girls is a scouting style program for girls ages 3 and up that promotes patriotism, good character, community service, life skills and a love of learning. In addition to a variety of higher awards, they offer more than 1200 individual badges in nine Areas of Discovery including:

- Discover Agriculture** (beekeeping, farming, dairy, gardening, etc.)
- Discover Art** (painting, drawing, crochet, photography, etc.)
- Discover Character** (modesty, joy, responsibility, kindness, etc.)
- Discover Health and Fitness** (sports, nutrition, first aid, emergency preparedness, etc.)
- Discover the Home** (budgeting, cooking, cleaning, child care, etc.)
- Discover Knowledge** (poetry, spies, American history, chess, etc.)
- Discover Outdoors** (camping, hiking, wilderness survival, wildflowers, etc.)
- Discover Science and Technology** (aviation, chemistry, computers, electricity, etc.)
- Discover the World** (stamp collecting, travel, geography, world dance, etc.)

There are many benefits to your school to running a Frontier Girls troop and on the following page I have outlined what a program of this kind can offer your school as well as what we are seeking in return. For more information regarding the Frontier Girls program, please visit their website at [www.frontiergirlsclubs.com](http://www.frontiergirlsclubs.com) or contact Kerry Cordy, their CEO, at [kerry@frontiergirls.com](mailto:kerry@frontiergirls.com). She is always willing to answer any questions you may have and usually responds in less than 24 hours.

If you are interested in chartering our Frontier Girls troop, please contact me at:

Sincerely,

## Is Your School Interested in Running a Frontier Girls Troop?

What we offer....	What we are seeking....
1. Frontier Girls can be part of a well-rounded extra-curricular program that all girls can participate in regardless of age, talents or athletic ability.	1. A Charter Organization willing to run our troop as part of their youth programming under their non-profit status. Unlike other scouting programs, Frontier Girls LLC is not a 501(c)3 and simply sells program curriculum and a license to use their name and uniform to existing non-profits to use as part of their own youth programming.
2. A Frontier Girls Troop can generate positive publicity for the school through their service in the community and other activities. Frontier Girls troops are required to perform a minimum of three service projects each year; one for the local community, one for whoever hosts their troop meetings and one ongoing project of the girls' choice. Your school has the opportunity to steer the girls into projects that further your school's goals in the community	2. The Chartered Organization shall provide adequate meeting facilities. Most Charter Organizations allow troops to meet on their own premises, but if the facilities are not appropriate to Frontier Girls meetings, they can arrange for an offsite meeting place.
3. Frontier Girls provides leadership opportunities for girls of all ages. Whether it is holding a leadership position within the troop, or organizing their own community service project for their Make A Difference Award, girls have the opportunity to stretch their wings and learn to take charge.	3. The Charter Organization will appoint a Troop Leader who will be responsible for running the Frontier Girls troop and will be the main contact for all communication with Frontier Girls LLC. The Troop Leader will be accountable for following the terms and conditions of Frontier Girls LLC as well as all policies and procedures set forth by the Charter Organization.
4. Being a part of a Frontier Girls troop promotes camaraderie and a positive peer group for girls outside of the classroom structure.	4. The Charter Organization must approve all volunteers and verify that personal references and any previous experience working with youth in other organizations have been checked.
5. Frontier Girls can offer girls many activities they desire: outdoor trips, water sports, and high adventure – that are generally not part of the school curriculum.	5. The Chartered Organization shall include Frontier Girls programming as part of its overall program for youth and families. This includes covering the activities of the troop with general liability insurance to cover the girls and volunteers. The Charter Organization shall reserve the right to restrict the activities of their troop based on their own policies and procedures.
