

To whom it may concern,

My name is \_\_\_\_\_. I would like to start a new Frontier Girls troop in this area and am seeking a Charter Organization willing to take us on as part of their youth programming.

Frontier Girls is a scouting style program for girls ages 3 and up that promotes patriotism, good character, community service, life skills and a love of learning. In addition to a variety of higher awards, they offer more than 1200 individual badges in nine Areas of Discovery including:

- Discover Agriculture** (beekeeping, farming, dairy, gardening, etc.)
- Discover Art** (painting, drawing, crochet, photography, etc.)
- Discover Character** (modesty, joy, responsibility, kindness, etc.)
- Discover Health and Fitness** (sports, nutrition, first aid, emergency preparedness, etc.)
- Discover the Home** (budgeting, cooking, cleaning, child care, etc.)
- Discover Knowledge** (poetry, spies, American history, chess, etc.)
- Discover Outdoors** (camping, hiking, wilderness survival, wildflowers, etc.)
- Discover Science and Technology** (aviation, chemistry, computers, electricity, etc.)
- Discover the World** (stamp collecting, travel, geography, world dance, etc.)

There are many benefits to your organization to running a Frontier Girls troop and on the following page I have outlined what a program of this kind can offer your organization as well as what we are seeking in return. For more information regarding the Frontier Girls program, please visit their website at [www.frontiergirlsclubs.com](http://www.frontiergirlsclubs.com) or contact Kerry Cordy, their CEO, at [kerry@frontiergirls.com](mailto:kerry@frontiergirls.com). She is always willing to answer any questions you may have and usually responds in less than 24 hours.

If you are interested in chartering our Frontier Girls troop, please contact me at:

<b>What we offer....</b>	<b>What we are seeking....</b>
<p>1. Frontier Girls actively encourages patriotism in our members. We strongly support both our veterans and military personnel. Girls of military families wear special ribbons and pins to show others that they are making sacrifices for the freedoms the rest of us enjoy.</p>	<p>1. A Charter Organization willing to run our troop as part of their youth programming under their non-profit status. Unlike other scouting programs, Frontier Girls LLC is not a 501(c)3 and simply sells program curriculum and a license to use their name and uniform to existing non-profits to use as part of their own youth programming.</p>
<p>2. Our Support a Soldier Program pairs Frontier Girls troops with soldiers serving overseas. The girls make cards and put together care packages to send to their soldier on a monthly basis. Members of your organization can work with the girls to gather supplies and ship packages.</p>	<p>2. The Chartered Organization shall provide adequate meeting facilities. Most Charter Organizations allow troops to meet on their own premises, but if the facilities are not appropriate to Frontier Girls meetings, they can arrange for an offsite meeting place.</p>
<p>3. Owning a Frontier Girls troop gives your organization the opportunity to have an impact on youth in your community and to promote patriotism and respect for our military. When your troop appears in public it helps make the community realize that veterans organizations not only support veterans, but help teach youth about important American principles as well.</p>	<p>3. The Charter Organization will appoint a Troop Leader who will be responsible for running the Frontier Girls troop and will be the main contact for all communication with Frontier Girls LLC. The Troop Leader will be accountable for following the terms and conditions of Frontier Girls LLC as well as all policies and procedures set forth by the Charter Organization.</p>
<p>4. Owning a Frontier Girls Troop can give your organization added exposure in the community. Frontier Girls troops participate in local parades and festivals in addition to participating in community service projects. Your organization has the opportunity to steer the girls into projects that further your organization's goals in the community.</p>	<p>4. The Charter Organization must approve all volunteers and verify that personal references and any previous experience working with youth in other organizations have been checked.</p>
<p>5. Frontier Girls are encouraged to form a local Flag Corp to perform formal flag ceremonies for community events such as parades, 4<sup>th</sup> of July events, and Memorial Day services. Veterans organizations are the perfect partners to make sure that these ceremonies are done according to code. Your group can also work with your troop to arrange community flag retirement ceremonies.</p>	<p>5. The Chartered Organization shall include Frontier Girls programming as part of its overall program for youth and families. This includes covering the activities of the troop with general liability insurance to cover the girls and volunteers. The Charter Organization shall reserve the right to restrict the activities of their troop based on their own policies and procedures.</p>
