

Discover Art

Today, more than ever, art is needed as a way for girls to express themselves and strengthen their imagination and creative skills. We have a variety of art badges, ranging from ceramics and decoupage, to scrapbooking and puppetry!

Feel free to visit the [Discover Art section](#) on our blog for to find some great ideas to use with your badge-work. You can also visit our [Pinterest Board](#) as well. Keep in mind that Pinterest is not part of the Frontier Girls Program. Girls should get a parent's permission before using this site.
