

FRONTIER GIRLS

To whom it may concern,

My name is _____. I would like to start a new Frontier Girls troop in this area and am seeking a Charter Organization willing to take us on as part of their youth programming.

Frontier Girls is a scouting style program for girls ages 3 and up that promotes patriotism, good character, community service, life skills and a love of learning. In addition to a variety of higher awards, they offer more than 1200 individual badges in nine Areas of Discovery including:

- Discover Agriculture** (beekeeping, farming, dairy, gardening, etc.)
- Discover Art** (painting, drawing, crochet, photography, etc.)
- Discover Character** (modesty, joy, responsibility, kindness, etc.)
- Discover Health and Fitness** (sports, nutrition, first aid, emergency preparedness, etc.)
- Discover the Home** (budgeting, cooking, cleaning, child care, etc.)
- Discover Knowledge** (poetry, spies, American history, chess, etc.)
- Discover Outdoors** (camping, hiking, wilderness survival, wildflowers, etc.)
- Discover Science and Technology** (aviation, chemistry, computers, electricity, etc.)
- Discover the World** (stamp collecting, travel, geography, world dance, etc.)

There are many benefits to your organization to running a Frontier Girls troop and on the following page I have outlined what a program of this kind can offer your organization as well as what we are seeking in return. For more information regarding the Frontier Girls program, please visit their website at www.frontiergirlsclubs.com or contact Kerry Cordy, their CEO, at kerry@frontiergirls.com. <p>1. Your organization takes ownership of the troop and molds it according to your group's principles and goals.</p>	<p>1. A Charter Organization willing to run our troop as part of their youth programming under their non-profit status. Unlike other scouting programs, Frontier Girls LLC is not a 501(c)3 and simply sells program curriculum and a license to use their name and uniform to existing non-profits to use as part of their own youth programming.</p>
<p>2. A Frontier Girls Troop can generate positive publicity for the organization through their service in the community and other activities. Frontier Girls troops are required to perform a minimum of three service projects each year; one for the local community, one for whoever hosts their troop meetings and one ongoing project of the girls' choice. Your organization has the opportunity to steer the girls into projects that further your own goals in the community</p>	<p>2. The Chartered Organization shall provide adequate meeting facilities. Most Charter Organizations allow troops to meet on their own premises, but if the facilities are not appropriate to Frontier Girls meetings, they can arrange for an offsite meeting place.</p>
<p>3. Owning a Frontier Girls troop gives your organization the opportunity to have an impact on youth in your community and to promote patriotism, community service, good character and a love of learning..</p>	<p>3. The Charter Organization will appoint a Troop Leader who will be responsible for running the Frontier Girls troop and will be the main contact for all communication with Frontier Girls LLC. The Troop Leader will be accountable for following the terms and conditions of Frontier Girls LLC as well as all policies and procedures set forth by the Charter Organization.</p>
<p>4. Frontier Girls can complement your existing youth programs, allowing the girls to participate in many activities that are not normally available such as campouts, water sports, high adventure, and travel.</p>	<p>4. The Charter Organization must approve all volunteers and verify that personal references and any previous experience working with youth in other organizations have been checked.</p>
<p>5. Your Frontier Girls troop can be used to perform at your group functions by singing patriotic songs. Frontier Girls will also help interested troops form a tall flag team to perform patriotic routines during community parades and festivals. Using red, white and blue flags on 5' flag poles, these girls twirl to songs such as "God Bless the USA" and "The Great Defenders". Samples can be seen on Youtube.</p>	<p>5. The Chartered Organization shall include Frontier Girls programming as part of its overall program for youth and families. This includes covering the activities of the troop with general liability insurance to cover the girls and volunteers. The Charter Organization shall reserve the right to restrict the activities of their troop based on their own policies and procedures.</p>
